- Fascia board replaced and protective plastic coping installed

Dhoor School House – A Characterful Manx Home with Panoramic Rural Views

Dhoor School House is an attractive former Manx schoolhouse that combines traditional character with spacious, versatile accommodation, set within a peaceful rural location overlooking the Northern plains.

Carefully improved and extended over the years, the property offers a welcoming family home with a wealth of individual features and plenty of room to suit a variety of lifestyles. Its position provides far-reaching countryside views, with particularly impressive sunsets creating a beautiful backdrop throughout the changing seasons.

Internally, the accommodation is generous, bright and thoughtfully arranged, retaining elements of the property's traditional heritage alongside the comforts expected of a modern home. The flexible layout offers excellent scope for family life and could be particularly appealing to those seeking multi-generational accommodation, with space to adapt to different needs.

The south-facing gardens have been designed to be relatively low maintenance, incorporating a putting green, established flower beds and substantial patio and decking areas. These provide plenty of opportunity for outdoor dining, entertaining family and friends, or simply enjoying the sunshine and surrounding views. The summerhouse offers an additional place to relax and appreciate the setting.

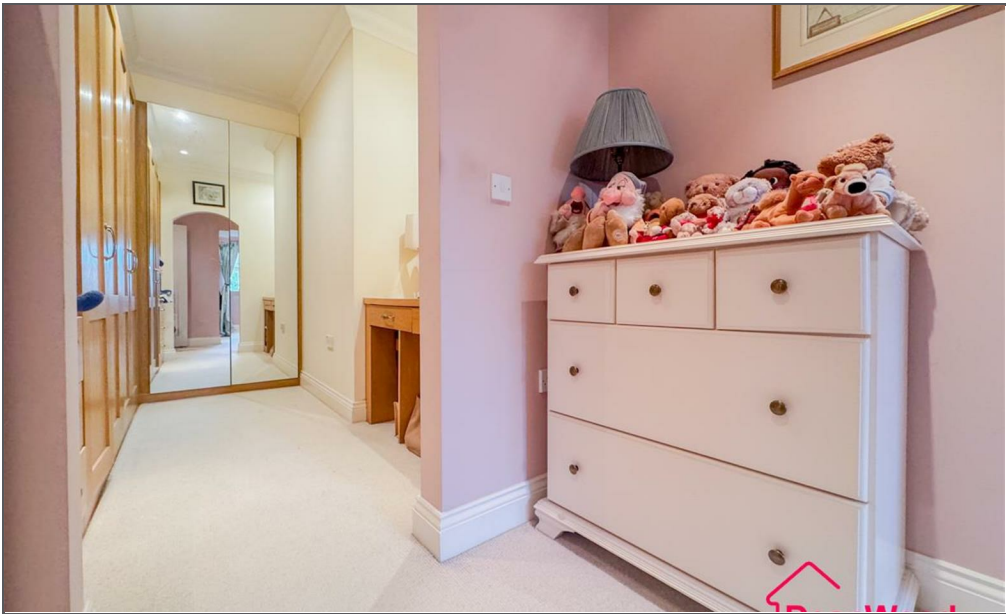

Practicality has also been well considered, with an integral double garage providing secure parking and useful storage, complemented by extensive off-road parking for several vehicles. The oil-fired central heating system was replaced in 2023, adding further reassurance for prospective purchasers.

Dhoor School House presents an excellent opportunity to acquire a home with genuine individuality, generous proportions and considerable versatility. Combining the character of a traditional Manx building with expansive rural views, attractive gardens and space for modern family living.
